Capítulo Fortaleza

**OWASP**  
Open Web Application  
Security Project

# OWASP

- Comunidade aberta e gratuita focada em melhorar a segurança de aplicações;
- Missão: tornar application security visível para que pessoas e organizações possam tomar decisões baseadas em riscos de segurança.

# OWASP

- Todos são convidados a participar. Materiais são livres e abertos;
- Todos os eventos (com exceção de conferências) são gratuitos para membros ou não-membros;
- Qualquer pessoa interessada em Cyber Security ou Application Security é bem-vinda.

# OWASP

- Organização global sem fins lucrativos;
- Comunidade sem bandeiras (vendors);
- Reúne mentes brilhantes ao redor do mundo para discutir AppSec;
- Fornece ferramentas, documentos e guias gratuitos;
- As reuniões são abertas a qualquer pessoa;
- Nossos encontros duram, em média duas horas.

## Individual Membership

One of many ways you can get involved in the OWASP Foundation is to become a member. It is through our global membership that we move forward on our mission to secure the web. We encourage and support diversity in AppSec and hope you will join us. Please note we also offer regional pricing to make OWASP accessible to everyone. There are many benefits to membership including:

- Ongoing Support of our work
- Discounted Conference Fees
- Corporate owasp.org email address
- Priority access to Travel Grants
- And many others...
- OWASP emails have a standard format `firstname.lastname@owasp.org`; email addresses are only valid during membership and will be suspended 30 days after last day of membership if not renewed.

You can [Manage your Membership](#) to check your renewal date or update billing details or cancel a recurring donation.

Would your business like to become a [Corporate Member](#)?

### Join or Renew Now
