“India’s Cyber Security Kumbh…”

Sponsorship Kit

OWASP InfoSec India Conference 2012

August 24th & 25th 2012, Hotel Crowne Plaza, Gurgaon (Delhi NCR), India

Open Web Application Security Project
About OWASP

Open Web Application Security Project (OWASP) is a global open source application security project composed of corporations, educational organizations, and individuals from around the world. OWASP has quickly become the de facto standards body for web application security by providing free, vendor-neutral, practical, cost-effective application security guidelines.

OWASP has over 200 local chapters globally with presence in almost every important country.

About OWASP India

India being major software and technical services outsourcing hub on the global map, brings maximum participation to OWASP activities. OWASP India comprises of over 10 local chapters present in Ahmedabad, Bangalore, Bhubaneswar, Chennai, Chhattisgarh, Delhi, Hyderabad, Kerala, Kolkata, Mumbai and Pune. OWASP India is a distinguished research and technology sharing platform with presentations from numerous information security professionals and researchers from across the world. With two successful past editions, OWASP India conferences have become largest information security conferences in India.

OWASP India Advisory Board

OWASP India Advisory Board comprises industry leaders and key decision makers who provide their mentorship and support to spread maximum awareness about information security in the region. Advisory board enjoys the participation of:

- Sanjay Bahl, Chief Security Officer, Microsoft Corporation (India)
- Mano Paul, Software Assurance Advisor, (ISC)2
- Vijay Raghav, Global Head - IT Security, Fidelity Investments
- Dr. J S Sodhi, Asst. Vice President & CIO, Amity Group
- Pawan Kumar Singh, CISO, Tulip Telecom
- Sunil Goyal, COO, Sopra Group
- Sandeep Khare, Asst. Vice President, WNS Global
- Rohit Malik, Program Manager, Eglent Technologies
- Sanjay Kharb, Assistant Vice President, MakeMyTrip
- Tarun Gupta, Director - Managed Service Security, Ericsson (EGI)

Past Key Sponsors & Education Partners

Past Media Partners

Why Sponsor?

1. Excellent track record of being the largest information security conference in the region
2. Parallel Running Tracks & Hands-on Advanced Training Sessions
3. Networking opportunity with an unique platform to showcase products and services to decision makers, government policy makers, investigators, regulators, law enforcement agencies, security and defense establishments
4. Enhanced Pre-event and post-event media coverage
5. Viral marketing plan led by entrepreneurs, driven by strong advisory panel of industry leaders
6. A spectrum of at-event branding opportunities in a luxurious environment

Proposed Marketing Plan*

1. Direct marketing mailers to a targeted database with supporting organisation branding
2. Event updates to global mailing lists of OWASP and partners having large subscriber base
3. Social media marketing on LinkedIn, Facebook, Twitter, Google directing to conference webpage
4. Targeted advertisement over online social media portals, search engines, partner portals and awareness via advertisement in print & electronic media
5. Pre-event and post-event press releases to online news portals and print media

OWASP India – Key Differentiators

1. A not-for-profit body with its mission to fight the insecure code, providing its guides, tools, applications for free.
2. Global community formed by information security evangelists. An International platform in its true essence.
3. Vendor neutral platform with participation from leaders, decision makers, developers, testers and end-consumers.
4. Most regarded and respectable brand globally within corporates, governments, academia and individuals. A de-facto standard for application security.
5. Largest information security community in the region with over 10 local chapters and over 5000 information security professionals.
6. Attracts international speakers to present their original research, case studies and techniques.

*Subject to changes and media material deadlines
## Sponsorship Options

* Zoom to 150% for clear resolution
