A low-angle, upward-looking photograph of several modern skyscrapers. The buildings feature glass facades with prominent grid patterns of windows. The sky is a clear, bright blue. The perspective creates a sense of height and scale.

A nighttime photograph of a canal in Hamburg, Germany. The canal is flanked by tall, historic brick buildings with many windows and balconies, all of which are illuminated from within, casting a warm, golden glow. Two small, arched bridges cross the canal in the distance. The sky is a deep orange, and the water in the canal reflects the lights from the buildings and bridges.

A close-up photograph of a person's hand holding a small, rectangular white card. The hand is positioned on the left side of the frame, with the thumb and index finger visible, gripping the edges of the card. The card is held horizontally and is the central focus of the image. The background is a plain, light-colored surface, possibly a wall or a backdrop, which is out of focus. The text on the card is printed in a bold, black, sans-serif font and is centered on the card's surface. The text is arranged in two lines: the first line reads '"Contact Us" @' and the second line reads 'www.owasp.org'. The overall composition is simple and direct, emphasizing the contact information provided on the card.
