

Hacking as a Lifestyle

Dracos Developer Team

Matias Prasodjo

Introduction

This is for **Education Purpose Only**

Your Responsibility to Use any Info I give

You Believe people at a front of you is handsome

Introduction

This presentation will introduce you how we live as penetration tester and how it help you to see a hole

Not all security hole need sophisticated technique
Many of it only need a patient and attention

Awareness and knowledge gap

Why I Show You This ?

DRACOS

What is a Hacker ?????

Habit

- Freebies
- High Tech Minded with Low Self Protection Knowledge
- Digital Live == Real Live
- The World Controlled by Binary

#DigitalLive

Demo

The Digital Life by **personetics**

www.personetics.com/blog

Let's enjoy tonight, because tomorrow my bank app is going to remind me I'm spending too much on restaurants.

Hacking a Human

Social Engineering

The clever manipulation of the natural human tendency to trust

“Because there is no patch for human stupidity”

Manipulation Training and Demo

The Case

The Case

The Case

The Case

The Case

The Case

Security is NOT a product but a PROCESS

Products provide some protection, but the only way to effectively do business in an insecure world is to put processes
