

# AppSec Practitioners Landscape

The initial purpose of this survey is to understand the state of our occupation in application security. This is so that we can create data driven curriculum and guidance for entry into application security.

The responses to this survey will be used anonymously for multiple projects running under the OWASP Foundation and will be publicly shared (to enable further research and projects).

Please answer only once, and thank you for your contribution!  
This survey will close on the 15 August 2021, 11:59PM UTC.
